To

The Secretary to the Government of Mysore,
Local Self Government Department, Bangalore.

Sir,

I have the honour to forward herewith extract of letter No.560 dated 26-11-1937 ^{from the Supd Mental Hospital} intimating that with the shift of the Mental Hospital to its new premises, a revision of rates of maintenance charges appears to be reasonable and accordingly suggesting that the existing scale of fees sanctioned in G.O. No.G.4026-35/Med.67-33-2 dated 12-12-1933 viz., Europeans and Anglo-Indians Rs.1-8-0 per day and Indians Rs.0-14-0 per day may be revised. The Superintendent has ^{also} proposed that (1) for the eight rooms in the verandah, four on the male and four on the female side, the daily charges might be fixed at rupees two for Indians and rupees three for Anglo-Indians and Europeans, (2) for the two wards of four beds each in the quadrangle he proposes that Indians might be charged rupee one per day and Anglo-Indians rupee one and annas twelve a day. I consider that these ^{in quadrangle wards} rates are a bit high. I would propose Rs.2/- for Indians and Rs.3/- for Europeans and Anglo-Indians in respect of item No.1 (eight rooms in the verandah) and Re.1/- and Rs.2/- respectively in the case of two wards of 4 beds each (item No.2)

Special
wards

As suggested by the Superintendent the question of levying fees for the two cottages in the quadrangle and fixing the sum to be contributed for the patients of the Civil and Military Station, will be taken up later on.

I request the favour of early sanction of Government to rates of fees proposed ~~for the special wards~~.

I have the honour to be,

Sir,

Your most obedient servant,

B. K. Narayana Rao
Senior Surgeon.

Letter No.560 dated 26-11-1937 from the Superintendent, Mental Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

I have the honour to state that with the shift of the Mental Hospital to its new premises with better amenities for patients, revision of rates of maintenance appears to be reasonable. Tentative proposals are submitted herewith for consideration.

1. Maintenance is being calculated at present as per rates fixed by Government Order No.G.4026-35 Med.67-33-2 dated 12-12-1933.

Europeans and Anglo-Indians	Rs.1-8-0 per day.
Indians	" 0-14-0 "

Maintenance is claimed at these rates from Voluntary patients, Mysorean and Non-Mysorean, whose income is above fifty rupees a month, and from patients sent from the Magistrates of Mysore Government, when they direct that full maintenance charges are to be collected. Frequently however, the Magistrates exercise discretion, and fix a smaller sum to be collected monthly. Whenever these lower rates are allowed, it has been customary for many Magistrates, to extend the courtesy of consulting the Superintendent, Mental Hospital, in the matter. No maintenance is claimed from poor patients, either voluntary or admitted under a Magistrate's Order.

2. In the case of patients received under orders from the Magistrates of the Civil and Military Station, the rates vary, being based on actual expenses pro rata calculated every three months. The rates vary from annas twelve to rupee one in the case of Indians, and from annas fifteen to rupee one and annas four in the case of Europeans and Anglo-Indians.

3. The rates now proposed are as follows:-

General Wards:- (1) In the General Wards when the patients (relatives) can afford to pay, the rates for Indian patients might be reduced from annas fourteen to annas twelve a day. This appears to be reasonable, because the stay of a patient in a Mental Hospital is a matter of months instead of weeks.

xxx

xxx

xxx

Special Wards:- Special single rooms, and cottage wards which are available are as follows:-

(1) Eight rooms in the Verandah, four on the male, and four on the female side. The daily charges for these rooms might be fixed at rupee two for Indians, and rupees three for Anglo-Indians and Europeans.

(2) Two wards of four beds each, one for men, and another for women in quadrangle. Indians might be charged rupee one per day in these wards

and Anglo-Indians rupee one and annas twelve a day.

(3) There are two cottages in the quadrangle, meant for two patients, and one patient respectively. They are still in-complete, and the question of rates might be considered, when these rooms are completed and equipped.

4. I submit that these revised rates might come into force with effect from 1st January 1938, and for a period of two years in the first instance. These rates might be revised or confirmed, with experience of working conditions during this period.

5. I might be permitted to suggest that it seems only reasonable that for the amenities enjoyed by the patients of the Civil and Military Station in the New Hospital, an extra fixed sum might be debited to the Civil and Military Station. I would like to submit in this connection, that the Civil and Military Station authorities have already been asked to contribute a fixed sum annually (about Rs.2,500/-) towards the purchase of European Medicines. The actual figure for the contemplated additional contribution might be fixed after the question of the grant for medicines is settled. But a sum of Rs.1,000/- per year appears to be reasonable.

Orders are solicited.

Sir,

Adverting to the G.O. No.G.2757-66 Med 328-37-3 dated the 20th September 1938, sanctioning revised rates of maintenance charges in the Mental Hospital, Bangalore I have the honour to state that the Superintendent raises two points of administrative difficulties ⁱⁿ on the enforcing of the order, as follows:-

- (1) As the copy of the order was received by him only on the 9th October 1938, he requests that it may be brought into force only from that date and not retrospectively, from the 20th September 1938, as this would involve the realisation of extra charges from patients who were discharged between those dates as also the refund of the excess charges received from those who have paid more. As this is only a matter of administrative detail, I have, in anticipation of approval of Government permitted him to enforce the order from the date of receipt of the Government Order, viz. 9th October 1938.
- (2) As regards the revised rates of Rs.2 and Rs.3 for the special rooms in the verandah, it is reported that there are at present only 5 patients in these rooms, and that sufficient intimation will have to be given to the relatives and guardians of the patients whether they could like to continue in these ward paying the increased charges or would like to get themselves treated in the General Wards. As this will take some time, the Superintendent requested permission for enforcing the new rules from 1st November 1938. I have granted him the necessary permission for this also.

2. I request that the action taken by me may kindly be approved.

I have the honour to be,
